MACHINERY MOVERS INDUSTRY AWARDS 2026

The 2026 Machinery Movers Magazine Industry Awards will take place at the Kilashee House Hotel on 9th October, bringing together the very best of Ireland's construction and plant sector.

Hosted by Hector O'Heochagain, the evening promises entertainment, networking and well-deserved recognition across all areas of the industry, including plant, quarrying, rental equipment, technology and service providers.

Held every two years, the awards are highly anticipated and widely regarded as the standout night out for the construction sector, celebrating excellence, innovation and achievement throughout the industry.
